

## **Texas Trash**

Dear Valued Customer:

Waste Corporation of Texas (WCA) is proud to announce that on June 1, 2015 we acquired Texas Trash. We assure you that WCA will continue to provide the quality services that you deserve and have grown accustomed to receiving as a Texas Trash customer. WCA has operated in Houston and its surrounding areas since 2000.

Over the course of the next few months we will be working with the prior owners to integrate Texas Trash into the WCA operations. This means that you will notice some changes and improvements in service such as new invoices and perhaps new WCA trucks servicing your community.

WCA wishes to thank you all for your loyalty throughout the years Texas Trash was your trash service provider. We are committed to continuing the tradition of providing the highest level of service possible to all our customers.

If you should have any questions or concerns regarding WCA, your new service, or billings, please do not hesitate to contact your WCA professional service representative at 832-230-8223.

Once again, welcome to WCA. We are here to serve you!

Sincerely,

Matt Graham  
Regional Vice President
